CIHA BY-LAWS

1.11.89 The CIHA is responsible for appointing its members to represent the Association on the NZIHF committee.

20.1.1994

Procedure used in the Formation of the CIHA Executive committee.

Criteria considered when developing this proposal Included;

- ideal Committee size is 12 - 13 people.
- need to encourage a few strong self governing affiliated groups rather than a multitude of small, weak groups.
- Need to allow for future change in the relative numeric strengths of affiliated member groups.
- need for fair representation
- need to *unfair avoid* a **void unfair** dominance by any group within CIHA
- need to recognise that the CIHA does not have a legal monopoly on ice hockey in Canterbury and therefore is dependant on voluntary association. This highlights the need for the CIHA to be seen to be fair to all participating groups.

Accordingly, the following is proposed;

- 1) CIHA Committee shall comprise 13 delegates as per current proposal.
- 2) Delegates need not be members of the leagues/groups/associations but voting rights to choose those delegates rest with the leagues/groups/associations as determined by the league/group/association management.
- 3) Canterbury Ice Hockey Referees shall be entitled to elect 1 delegate.
- 4) Canterbury Ice Hockey Coaches shall be entitled to elect 1 delegate,
- 5) Associate members of the CIHA shall be entitled to elect 1 delegate.
- 6) Affiliated leagues/groups/associations shall be entitled to elect the remaining 10 delegates according to the following formula, based on the most recent proportion of fully paid up registered NZIHF players belonging to each member league/group/association. Note that where a player is a member of more than one league/group/association then for the purposes of the following, membership shall only be recognised for one of these leagues/groups/associations.

8% = 1 delegate

19% = 2 delegates

30% = 3 delegates

41% = 4 delegates (maximum entitlement)

- 7) Emerging league/group/association not meeting the minimum 8% threshold shall align their voting entitlement with an existing member league/group/association, subject to mutual agreement, until achieving the minimum threshold for delegate entitlement.
- 8) For the purposes of the above calculations, any member league/group/association having more than 41% of the total shall have those members disregarded when calculating above entitlements. ie. maximum representation is 4 delegates.
- 9) In the event of delegate entitlements totalling less than 10, extra delegates to be assigned to member league/group/association on the basis of nearness to next entitlement.

Sample Calculations:

Example based on 1993 registrations

		Adjusted	Adjusted	Next Step		Delegates	
Region	Nos.	Nos.	%	Shortfall %	(Initial)	(extra)	(total)
Minor IH	78	78	35.0	6.0	3	0	3
Junior IH	45	45	20.2	9.8	2	0	2
Senior B	45	45	20.2	9.8	2	0	2
Senior A	55	55	24.7	5.3	2	1	3
	223						
	(41% of 223 = 91)				9		10
